**ATTENTION ALL DISTRICT K-1  
LIONS CLUBS**

Lions Club International notified me yesterday, July 2<sup>nd</sup> that the \$10,000 Disaster Relief Grant that I applied for was approved for our district.

In order to disperse the grant fairly among the clubs, I need each Lions Club that has sustained damage in their area to send me an email stating that you would like to help the people in your area. Please forward any pertinent information as soon as possible.

As the \$10,000 grant is greatly appreciated, we all know considering the amount of damage to our cities, it will not go far. I am currently working to multiply the grant by getting Corporate sponsors to increase the value of our vouchers.

Your immediate response will be greatly appreciated!
